Ain't no hoes fuckin' with this bitch
I put years in this shit, shed tears for the shit
Bitch, I'm real with this shit, don't push me
'Cuz ain't no fuckin' thang 'bout me pussy
Except this rare shit that drip from me

I get money in my hood, bitch, ain't nuttin' funny
But a fagot nigga in nut huggers and big hoots
We toss over who got juice, who livin' a lie
Who speakin' a true, who get that loot
You get on that mic with that bullshit bitch
Then it's all on you

Hangin' rap label, I ain't dealin' with favorites
Homie fucks with niggaz that do business up under the
table
That mad shout, you hoes can't make it in the game
Unless your titties and your ass out

Now fuck wit' me
So I can show you who already ballin' in this bitch

Turnin' from sweet to sour in this bitch
Like zero to 60 m.p.h.

It's a thin line between love and hate
And fuck the world, 'cuz I ain't here to stay, bitch

Yeah, we run this, we run this
We run this, we run this
You ain't fuckin' wit' me, you ain't fuckin' wit' me
You ain't fuckin' wit' me, you ain't fuckin' wit' me

Start a riot in this, start a riot in this
Start a riot in this, start a riot in this
Start a riot in this, start a riot in this
Start a riot in this or get the fuck out this
