[Repeat 2x's]

It's some hoes in this house

It's some hoes in this house

If you see them point them out

If you see them point them out

[Verse 1:]

I like them hoes with them golds in they mouth

That be them hoes from the motherfuckin' south

I like them hoes with them big ass butts

That be them hoes that'll let a nigga cut

I like them hoes with them tats on they thigh

That be them hoes that love to get high

I like them hoes with them piercings in they tongue

That be them hoes that suck dick and swallow cum

[Chorus: Repeat 8x's]

I like them hoes

[Hook:]

Some call them hoochies

Some call them breezays

Some call them bitches

But we call them hoes

That's how it goes

[Verse 2:]

I like them hoes with them colored ass wigs

That be them hoes with two or more kids

I like them hoes that'll help a nigga fight

That be them hoes that'll fuck with a dyke

I like them hoes with they own damn car

That be them hoes down for menage a trois

I like them hoes with them six inch heels

That be them hoes that'll let a nigga drill

[Chorus: Repeat 8x's]

[Verse 3:]

I like them hoes with them diamonds in they nails

That be them hoes that ain't scared to go to jail

I like them hoes with that weave in the front

That be them hoes that can roll a fat blunt
I like them hoes with them tight capri pants
That be them hoes that put you in a three point stance
I like them hoes that be tooting that dust
That be them hoes that don't really give a fuck

[Chorus:]

[Repeat until fade]
