[Oobie:]

I'm sliding me on top of you  
Doing things that lovers do  
But I don't belong to you  
Whats a girl suppose to do  
I only need one night with you  
To make all our dreams come true  
You could never be my man,  
You can be my one night stand

[Oobie/Chorus]

Boy I know you got a girl  
And you know I got a man  
So lets both respect the game  
And have a one night stand  
Everybody wanna know  
But they wouldn't understand  
So lets keep it on the low  
And have a one night stand

Well it's about a quarter to three  
No ones lookin',  
Its just you and me  
You know I'm down for whatever  
And I came to please  
But its only for this one night

Boy I hope you came well prepared  
Cause I want you to know that  
I ain't never scared  
You just got to RSVP  
And I'll be there  
But its only for this one night

[Chorus]

Boy I know you got a girl  
And you know I got a man  
So lets both respect the game  
And have a one night stand  
Everybody wanna know  
But they wouldn't understand

So lets keep it on the low  
And have a one night stand

[Lil Jon:]

And have a one night stand

[Oobie/Two Times:]

If you know how to keep a secret,  
You can get it fo' sure  
Just make sure you get enough  
Cause you can get it no more

[Big Sam:]

With yo' big ol' a\$\$

Just for a one night stand  
And you can't never be my boyfriend  
Just a one night stand

[Chorus:]

Boy I know you got a girl  
And you know I got a man  
So lets both respect the game  
And have a one night stand  
Everybody wanna know
