Hey babe how ya doing.
i hope this letter finds you in good health.

one else.
Cause see you've got 10 years and it's hard on me and
the kids.
See i'm all by myself aint got no one else and
Lately i've been thinking.

Chorus

so consider this letter a long kiss goodbye.
goodbye

Verse 2

You see i've come to this conclusion .
i aint never thought you promised no more.
i sent letters everyday and come almost every week.
it's played out it's played out it's played out it's played
out.
So when you come home just go ahead and fine
yourself a new fool.
See i'm way over you.
This love affair is through.
and i know i'm past you.

chorus

i'm sorry but this is goodbye. goodbye
so consider this letter a long kiss goodbye.

Verse 3

See i just cant sit here waiting no more.
i've got to foot these bills on my own.
love just cant just live here cause love don't pay no
bills.

i just cant sit here twirling my thumbs.
i cant just get with being alone.
You've got to feel me a woman with needs.

Chorus

baby i'm sorry but this is goodbye.
So consider this letter a long kiss goodbye.
