[Intro/Chorus: Oobie]

Ooh Na Na Naa Naa; I'm so horny and I want you to fuck me

I'm tired of masturbating got my body shaking no orgasm faking with me

Ooh Na Na Naa Naa; I'm so horny and I want you to fuck me

I hope you're ready for love, cause I got more than enough

Come bust a beautiful nut up on me

[Verse 1]

Now I'm just sitting in my lingerie, sipping on some Alize

Trying to formulate, all the ways I can make you say Ooh Baby, right there, don't stop

Put it in you're mouth, twirl it round til' you make it pop

Now I'm gonna make you sweat, when you go down in between my legs

You gon be fantasizing bout these lovely thighs

It's gon' be hypnotizing won't you come on and see

[repeat Chorus]

[Devin the Dude]

I see your pussy lips smiling and grinning like they want something up in 'em

I been wanting to ask you for some but didn't want to offend you

But now I see you bout as freaky as me

I busted two nuts already now you waiting for number three

You ask me what will it take to get me hard again

I say saliva but see you ain't down for swallowing

You'd rather have it on your skin you wanna rub it in

Move your tongue like that once more girl I'm bout to nut again

Fuck your friends in your business ask me why I call everyday

And why your face is so creamy just tell 'em Oil of Olay

I thought I could i run a good race but girl you could do

miles
Lay on your side raise up ur legs let me see that
beautiful smile
Awww yeah, I'mma put it all in there
And you relax but then you ask me to pull ur hair
And I'll do it you'll scream but the nut won't last
Cause right before you know it Splash!!

[Chorus] - 2x

[Lil Jon]
Dick suck my dick suck

The way you lick from the shaft to the dome of the dick
