That coke you got is stepped on, dawg

Fucking Atkins diet, dawg, we eat some bread, gon'

Like Lin Bias Im'a play 'til my heart's gone
So take it how you want it, personally I dont give a fuck

Worst thing is, when you pull that trigger and that thing

Yankee!
Si me tientan en pal de segundos sentiran el fuego
No es lo mismo llamarlo que verlo venir, pon tu cara al
fuego
Que haces respaldando lo que boconie en la linea de
fuego
No me huyas cobarde, y vamos al duelo
Tu no eres un guapeton, eso es producto de rum
Mutha' fucker wanna act
Como si tuviera el cria, y corazon
Porque andas con el vaqueio de fulano y peresejo
No quiere decir que seas gangster
Sigues siendo el mismo (PENDEJO!)
La calle me llama, oh boy I love the drama
Have you seen a boricua loco chasing you con un AK
Hit the wrong way, no amenazas y deja el mensaje
Lo que vayas hacer lo haces y actua, ya deja el aguaje
Nos fajamos al gatillo, sino a fuerza de nudillo
Al antiguo, a uno a uno, cara a cara, y sin corillo
Los guantes put 'em up, no te quites, que paso, nigga'
what
Daddy Yankee se revela, a la buena o a la mala
En tu cara, que tu vas hacer en el club

If you you fall up in the club
And them nigga's wanna buck
When you step up to their face
What they gon' do? Shit!
If you fall up in the club
And them hoe's are acting up
When you step up to 'em hoe's
What they gon' do? Shit!
What they gon' do? Shit!

(El no va a hacer nada! Shit!)
What they gon' do? Shit!
(El no va a hacer nada! Shit!)
What they gon' do? Shit!
(El no va a hacer nada! Shit!)
What they gon' do? Shit!
(El no va a hacer nada! Shit!)

[Daddy Yankee]

Aja!
Tu no vas a hacer nada! Roncon!
Con la boca has matado a mile!
Y con la pistola a nadie
Roncon, fequero!

[Pitbull]

Perro que ladra no muerde!
Come mierda!
Tu lo que eres es mas ruede que pelicula!
Pa' que lo sepas!
Boricuas, cubanos, negros!
Lo que sea, ya tu sabes!
Lil' Jon, Pitbull, Daddy Yankee!
Hit them motherfuckers!
