[Chorus]

L-is for the liars that had surrounded me
I-insecurity: My head down in these streets
F-my future; there isnt one
E-ternal Hope- and this is my life

[Verse 1]

I wake up everyday to the same ole' foster motha
I aint got no pictures of my mother
She was a crack fiend, nuthin like Pac-mother
She didnt make a difference
Even doe she culd've MOMMA
SHAME, shame on my life
Popa cried ya sold me twice, on the late night stop by
Look in my eyes, bags from the tears that I cried
And the people who lied
Telling me that this was my place
Fony tried to smile in my face
But I chulda knew somethin was rare
Smile on her face when she open the mail
Kept a nice mink on her back
Meanwhile I gotta goose and my geoses got patches
IM SO MAD:THIS IS ME
iM SO HURT: THIS IS ME
SO WHY SHOULD IT BE: but ima be alright

[Chorus]

L-is for the liars that had surrounded me
I-insecurity: My head down in these streets
F-my future; there isnt one
E-ternal Hope- and this is my life

[Verse 2]

Im pregnate by a dude and hez not 16
But, I like his style, his whip is mean
Momma told me to find a man to take care of me
And he does buy me things but he beats on me
I come to her for a little advice
She tolds her....Up
with a black eye, Telling me to know my place
So, I stay, wait for my body phase
[Look At My Life Lyrics on]
Telling myself that its just a pregnancy phase
When all, in reality Im beeing discouraged,and

disrespected, and under depression
And i dont really blame the man
I blame my mother for not teachin me the different
types of man
Life neva understood its stand
My side of the story being thst it's so consistant
18 yrs and 9months devoloped n raised in a prison I
guess I'll neva make a difference

[Chorus]

L-is for the liars that had surrounded me
I-insecurity: My head down in these streets
F-my future; there isnt one
E-ternal Hope-and this is my life

[Verse 3]

On,ON from a nothing to Orphans, the least of my
problems
Appears like Deja Vu, stomache starvin
Free lunch, breakfast, evenly and deeply i departed
so ashamed of a life that was started
Ask God if, he culd take the pain away
He made me in denile of every word I pray
Everyday it's the same old no talent
Im feelin like my life is unbalanced
No tellin, what tomorrow gonna look like, yea rite
Wrapped up ina fast lightfor suicide act
Why, is my life set up for failure ya'll
I can care less what the peopel say to ya'll
We break out in rage, ventin all the hurt inside
Who am i, to tell u wat u failed 2 realize
The voice that you hold within you, the voice that you
are, the voice of the young people

[Chorus]

L-is for the liars that had surrounded me
I-insecurity: My head down in these streets
F-my future; there isnt one
E-ternal Hope- and this is my life
