[Intro:]

Pick it up, pick it up, pick it up, C'mon [x3]

Pick it up, C'mon [x2]

[Chorus:]

Pick it up don't drop it

Keep drill bouncin'

Everybody be chasin' me

Hey Y'all

They be dancin' with me

Hey Y'all

We're in the place to be

Hey Y'all

[x2]

Well when there is stuff like this

C'mon off in the club

They turn the value

Up, up with it up

They pumpin' it up

And out pops stuff

The A to ways is like uh uh uh

Who really really wants a front to the front

We know that pumping goes dumpety dump

Like humpty the dump

Sittin' on the wall

Like humpty the dump had a very great fall

[Chorus]

Pick it up, don't drop it

Pop lock it& then stop it

And I'm feeling you not got it

Light grub it

Borderline pants pocket

Y'all block it

While I double 07 knock it

Who rock it

Most hugs when I rock it

I rock it when I emotional I mock it

Well sock it

That's why these droppers try to mock it

Can't knock it, I'm cocky they fish mock it
Know, back to the club in the fast lane
Put your hands up hey! hey!
Show me lip when we not rock rock
And do it do it do it like you just can't stop

[Chorus]

Act like cheddar, cheese so saucy
Hot bossy, wrists so frosty

And it get to my neck
It could cost me
But a hundred fifty grand lips so glossy
Rocks like BOOM sex
You see them frost bites
I ain't even got to 'spect so cause the whole night
Bent him, could'a lost my bracelet
Girls lookin' at me
Lookin' like they need face lifts
I'm tellin' you
From the window
To the wall
The whole place fall
Glass fall, from the heat
From the mess, from the sweat, from the people
You party?
Nope I will teach you
Just let yo body rock like the beat do
And if you feelin' like you can't get up
Let the music pick you up
Pick it up
C'mon

[Chorus]

Pick it up
Pick it up
Pick it up
C'mon

Pick it up
Pick it up

[Outro:]

Pick it up
[x2] C'mon
(hey y'all)
[x2]

Pick it up
Pick it up
C'mon

(hey y'all)

Pick it up

C'mon

Pick it up

C'mon

Hey Y'all

[x4]
