I went to my mom
I told her that I meet this boy
He was cute
But the only thing was
He was 20
I didn't tell her that
I told her that he
Was 16
So that he was approved
I asked her can
I go to his house
She answered yes
So I went upstairs
To put on my bathing suit
I didn't know why I needed it
I had to sneak out the house with it on
When I got to his house
He asked me have I ever had sex
I said no
He asked did I want to
I said no
But he did it anyway
I went back home
I didn't say anything
But after 6 months

My stomate got
Bigger, bigger
Hungier, hungier
One day my mom
Asked me what was wrong with me
I said nothing
But she knew
So she dicided
To take me to the doctor
The dotor said
That I was prentant
At a ponit I dicied to tell my mom
I said that the boy I told you
Was 16 is actually 20
I told her that I
Would take good care

Of the baby
When the day can I named
The baby cristy aalinasion wells
And the dad was no where to be
Founddddddddddddddddddddddddddd
In that was my rape attack
