You think I just walk like this

I was raised like this
I was rose like this
I'm a crazy crazy crazy you know bitch

pick on the beat and body slam
tappin your speakers I got you man
rockin and rollin and mama slam

me 4 or never me clever who does it better?
Think you would find another me never
lookin for me youll be lookin forever

I, I aint goin no where so catch me if you can till I'm
gone you aint gonna see me everywhere ill be in the
end till I'm gone I aint goin no where so catch me if you
can till I'm gone you aint gonna see me everywhere ill
be in the end till I'm gone

look up in the sky it's a bird it's a plane
nope its lil mama nope I aint ashamed

came up in the game for change shame again
came up in the game no shame I did my thang
came at me spittin the same things spittin the same
thangs

I never do that man
yeah its time you bow down with a
cool
fresh
new
sound

just listen to how I be putting it down
down on the ground give me my crown
give me mah crown
