Get ready to inhale this

In the crib in the club on the block it don't matter
(it it don't it it don't matter)
In the crib in the club on the block it don't matter
(it it don't it it don't matter)
In the crib in the club on the block it don't matter
Work that thang 'til you make your head splatter
Work that thang, twerk that thang
Be careful girl don't hurt that mann
Now put your hands in the sky wave them side to side
Let your body rock and keep the ground locked
If you're young and you wanna have fun
Don't stop just work your bodayyy

Hey heyyyy
When you see me on the dance floor
Heyyyy
Get loose once more
The way we get loose we move our shoulders
Forwards heads back
Get it in control like Janet jack
Get it on the floor let em know whats hap
Now make it happen
Ship your captain
Across the globe like a fed-x package uh

(chorus)
Shawty get loose
Baby do what you do let me see you let down your hair
Shawty let loose
Hit the dance floor and act like there's nobody else in
hurr
Shawty get loose
Crump clown break it on down baby do your thang
Shawty get loose
P-H-A-T phat shorty I ain't even know you could break it
down like that

You better ask somebody
Shawty get loose

You better ask somebody
Shawty get loose

L.I.L you betta ask somebody
I been on my grind since butt-touch-potty
Ya'll dont really want it with the young God toddla
Wit it flo so spec like technolotta
It's... so sick
How the clock go tick
Keep given ya'll hits like techmatic UH
It's the reason why I spit it how I spit it
When I spit it's like mucus
Gotta get rid of it

These chicks don't pop like me
Uncompatible girl no comparin me
And ain't none of y'all scaring me
Don't cha wish your girl was as bad as me ya
Wit a flow so sick like Twista's
So sweet it can be cold like a mystic
Instincts come so smooth like what is it
BK-H-DUB ours like a wizard

(chorus)
Shawty get loose
Baby do what you do let me see you let down your hair
Shawty let loose
Hit the dance floor and act like theres nobody else in
hurr
Shawty get loose
Crump clown break it on down baby do your thang
Shawty get loose
P-H-A-T phat shorty I ain't even know you could break it
down like that

Dat dat dat dat dat dat dat dat
Shawty get loose
Dat dat dat dat dat dat dat dat

Shawty get shawty get loose in here
Lil mama let down her long hair
And the girls in the club suffer from stare
They like girl how you how you do that there
Cause you wash set blow and you wash set blow
Then you wash set blow makes you wash and set blow

Who knows you might end up like me
All natural except not as sweet
And to be reckless is my specialty
And when I let it all down I'm like pass my piece
Cause I carry a weight now take the cake

Show you how to shake and bake the cake
Cake from cake you can do that?
Yup yup cake from cake I can do that
