Hey [3x]

The way we get loose we move our shoulders forward,

Head back

Get it in control like Janet jack

Get it on the flo' let em know what's hapenin

L I L you betta ask somebody

Hoppin on my grind since butt touched potty

Y'all don't really want it with the young hot toddler

Wit a flow so sick like take the lotto

It's so sick how the clock go tick

Keep givin y'all hits like teckmatic

Uhh

That's the reason why I spit it how I spit it

When I spit it's like mucus gotta get rid of it

These chicks don't pop like me

Uncompatible girl no comparin me

And aint none o y'all scarin me

Like don't you wish your girl was as badd as me [yea]

Wit a flow so sick like twistas.

So sweet but could be cold like a mistake.

Instincts come so smooth like

What is it

B k h [dubb] r's like the wizard

Shawty get loose

Baby do what you do

Lemme see you let down your hair

Shawty get loose

Hit the dance floor & act like there's nobody else in here

Shawty get loose

Crump clown break it on down baby do yo thang

Shawty get loose

P H A T phat baby I aint even know you could break it down like that

That [8x]

Shawty get loose

That [8x]

Shawty get loose

What it do teddy to the pizzain
You already know tell em I'm on the mizzain
Shawty you aint messin wit a lizzame
I'ma have you loose on the floor
You gon be steppin wit a kizzain
I mind boggin models, wit a bottle of something good
I take em to the hood & have they ass goin inzane
A hard rap artist that hang wit singers
So don't think this thing is hard
Cause homie it aint
I'm loose loose
You gotta be kiddin me
You tellin me shawty right there could take it down &
do it like
Youu youu
If all of this is true
You gotta show me what you just told me
Now do it 5 4 3 2 [two]
You know pain came to change the game
All the way from the same thing to some of that
New new
Impress me

I want one person on this floor to try to test me
Now come on

Shawty get loose
Baby do what you do
Lemme see you let down your hair
Shawty get loose
Hit the dance floor & act like there's nobody else in
here
Shawty get loose
Crump clown break it on down baby do yo thang
Shawty get loose
P H A T phat baby I aint even know you could break it
down like that

In the crib in the club on the block it don't matter
It it don't it it don't
In the crib in the club on the block it don't matter
It it don't it it don't

In the crib in the club on the block it don't matter
I spit sap on 5 6 a doo doo daa daa
How she do da da da dat like that
At the hood on the bat
& her pockets is fat
Still rollin rollin left right
Shot callin callin that's right
Cause my team on the market

We for real bout to pop it
Lock drop & roll
Like a hip hop rock show
You never know where my mind
Gon go
N-n-not Puerto Rican but I like Mangu. (Mangu is
Dominican, damn.)
So smooth on the dance floor
So move on the dance floor
When you see me comin
I'm runnin it like a game show
You aint know

Hit you wit tha best flow
She's hOoo00Oott!
Get loose on the flo
And I cannot stop

Shawty get loose
Baby do what you do
Lemme see you let down your hair
Shawty get loose
Hit the dance floor & act like there's nobody else in
here
Shawty get loose
Crump clown break it on down baby do yo thang
Shawty get loose
P H A T phat baby I aint even know you could break it
down like that

That [8x]
