Menace: Hello

Girl: Yea who's this

Menace: Hey whats up mija its me menace

Girl: oh whats up what are you doin?

Menace: Naw just chillen what you gonna do today?

Girl: aww nothing you know probably go with my man

menace: uhh... is that right?

Girl: yea thats right

Menace: alright ill let you go then handle your business

Girl: Alright then talk to you later

.:CHORUSx2:.

I want to tell you i love you

and i want to be with you

{verse 1}

Wazzup mija now i know its been a while but i wanna
tell you

that i really love your smile and i know your with some
other

fool but mami we could be together it could be so cool
cus I

could show you things that you've never been shown
before

I know we're just friends but we could be much more I
think

of you maybe having some babies and i can even piece
until

you marry me you see and sweetie im just being real
he dont

treat you right and im the real deal so tell me what you
think

and tell me how you feel cus i aint spitting drama baby
im for

real you think lil menace is all about wearing nice
clothes

rollin with hos making some dough hell no id give all
that shit

up your worth more then gold so why even try to act

cold
i love you

tali: yea this is tali whats up?
menace:Hey wasa tali homie check dis out dog i got
this gurl
ryte her friends r dope but um i wanna get a lil closer i
jus
dont kno wut to tell her dog ey i kno u were ina situation
one
time like dat homie wut u do dog
Tali:U gotta come straight up n tell her how u realli feel
but
this is wut i did to mine... i told her

(verse 2)

(tali)
Mami you got me crazy all over You got my mind blowin
up
like supa nova Your my shining star Im lost in your
galaxy
are you a myth? naw your reality I want to get close to
you
feel you breating your lookin at me but your only
teasing
the way you walk the way you talk aint no girl that can
touch you on my block i wanna marinade in your love
juices
but gettin you im so clueless you make me nervous my
mind
starts flying my lips are locked down im scared of even
tryin
so i sit back and wrrite you a song instead ill tell you
whats
going on in my head i see you lookin. im lookin at you
im writin
the words i love you and i do
