I'm on the outside looking in,
And I wanna be, and I wanna be back on the inside,
With you.

You are with somebody new,
And I don't know what to do,
Cause' I'm still in love with you.
In love with you.

Yeah.....uh huh... .to all the ladies, one more
time...whether your in love....or planning on being in
love someday...always make sure....you keep that one
you love, huh?...everybody has one true love....and that
ain't a lie...

I'm on the outside looking in.

Verse 1

From time after time, day after day,
Remembering those nights.
Though your still away,
I still reminise about your warm hugs, and your tender
kiss, yeah those juicy lips.
Damn it's a trip.
The way I left you all alone.
All these wasted day and wasted nights go by, and I
know your not by my side,
So Mija tell me what's a vato to do?
Cause' I really love you.
Though I'm on the outside, I wanna come in.
Please Mija, let me come in.
All I need is one more chance, to fullfill your dreams
with love, and romance.
(I'm on the outside looking in)
And damn.
But it's gunna be hard, I know.
I'll keep the trigo with mi pensameintos.
Let that other vato go.
He'll never love you like I do, no, no.
Remember when we used to sit in the tub. Kissing led to
rubbing, then we made love.
Yeah, that sweet love.

And what I gotta do?
Give it up?
Challe, hell no, your my lady, not his.
Your the only one I wanna make my wife someday, and
maybe have some kids.
Though we are apart.
And when you need me I'll be there.
I'll do anything to prove to you, that I love you and I
care.

I'm on the outside looking in,
And I wanna be, and I wanna be back on the inside,
With you.
You are with somebody new,
And I don't know what to do,
Cause' I'm still in love with you.
In love with you.

Every night I pray to God,
'Diame pa siensia mi amor, por que aqui esta.', and
that is forever.
I promise to love and hold you forever.
Untill I die your mine,
But I know not at this time.
(I'm on the outside looking in)
So I send you this kiss,
I hope you will like.
Every night I squeeze my pillow tight, and look high up
in the sky, wonderin' why you had to go and find some
other guy.
Tell me what it is?
The money, the looks don't you miss?
Those late nights that we used to have, it was off the
hook.
Cruisin' through the beach.
Layed you out, tickled you.
Without a doubt.
It was like love at first sight.
High school sweethearts.
Remember those days?
I used to walk you to each class, and at lunch we would
daze off.
Looking in each other's eyes.
It lasted a lifetime.
You were my angel in disguise, sent here to be my
bride.
But all I got is wasted memories.
I can still feel you in my dreams.
I love you, I love you, I love you.

Yeah you know...(I'm on the outside looking in) and I'll

be here forever, waitin' for you to come back (and I
wanna be, and I wanna be back on the inside...and I
wanna be, and I wanna be back on the inside)
