Mr. Lil One - Karma Lyrics

[Mr. Lil One]

Where's my G's at sippin Mickey's and wearing Dickies  
Throwin up your set with a neck full of hickies  
No I'm not Ricky but I live la vida loca  
Buckin down you socas that be talkin out your bocas  
Mota for the smokers, coka for the nose  
Peace to all my niggas that be talkin shit to hoes  
Clothes always creased screamin out f\*\*k peace  
Nigga I'm from the streets where the devil never sleeps  
Deep into the bangin started slangin tryin to make it  
Run up on my shit, you got to murder me to take it  
Never tried to fake, tried to make it the way I can  
Cause man made the money, money never made the man  
Listen to the whistle, keep your fingers on the pistol  
F\*\*kin wit that crystal makes a mothaf\*\*ka dismissed  
Every thing you love, and every thing done  
Don't mean a f\*\*kin thing when a mothaf\*\*kas sprung

[Chorus]

Leave it alone you're f\*\*kin up holmes  
You're doin em wrong, You're doin em wrong  
You're doin em wrong, for all the wrong reasons  
You got a Karma with all the four seasons

[2x]

[Mr. Lil One]

Any ways, just another day but I'm livin  
Givin it all I got for my mothaf\*\*kin Tot  
Hustlin my shit makin sure it's in your spot  
Bumpin down your block hear it every where you walk  
Hocus Pokus I was faded when I wrote this  
PCP smokers bangin who the lokest  
Bury you, I'm darin you, see if I put scare in you  
No air in you, left, when I done leave you hung  
Tattos and hair nets, youngsters and vets  
Throwin up their sets screamin out f\*\*ked the rest  
Let the dogs loose, gettin faded off the juice  
I'm fightin to get rich while you're fightin over a bitch  
Mothaf\*\*k you both, I'm stickin to my oath

Terrorfy you bitches when you hear about my riches  
It's not about my salary it's all about reality  
I'm tryin to feed my family so why f\*\*k you mad at me

[Chorus]

[Mr. Lil One(Talkin)]  
Yeah, this is to all you back stabbing bitches  
All you two faced hipocrits  
You mothaf\*\*kin haters out there  
You know who you are  
You got some karma for that ass  
Karma for all the four seasons  
Gone
