[Intro:]

I don't give fuck bout who u with  
An I don't give a lil fuk about what u did  
(Nigga) cause this that 85 cutlass shit o this  
The hit I'm bout to stand over public shit

Yea day want it  
It's what they want [x6]

They want that 85 Cutlass shit  
They want that hit um up and stand over em in public  
shit [x2]

I don't give fuck bout who u with  
An I don't give a lil fuk about what u did  
(Nigga) cause this that 85 cutlass shit o this  
The hit I'm bout to stand over public shit

[Verse 1:]

I Finally made bitches know my name now  
Somebody talkin to the ppl cause they know lil dane  
now  
No conversation the young n don't want no hall and  
don't call my fuckin phone u ain't talkin bout no dollar  
Bad chicks I fuck with models no liquor want rose'  
bottles an it's no more tall tees I like to pop my POLO  
collars  
We tote them glocks with bout 17 shots black shirt  
black mask black gloves red dots (Nigga)  
We hit em up an bang em up even in broad day we killa  
wiz ain't gotta listen what brad say  
Ain't got no safety young n keep it still cocked u bitches  
gone make me mad an ain't another tear droped [x2]  
My nigga he met again I threw away another glock told  
my mama thug life I'm goin out like pac

I don't give fuck bout who u with  
An I don't give a lil fuk about what u did  
(Nigga) cause this that 85 cutlass shit o this  
The hit I'm um and stand over em in public shit [x2]

[Verse 2:]

Scary niggas they put prices on my head niggas scary  
scary niggas dem niggas b all scared  
When u niggas holla beef the young n we don't sleep  
da young n we gone creep da young n we gone skeep  
Thank about it 4 u ever try 2 test me 2 smith and weson  
I leave a job messy  
My niggas ready they rollin dey offa x pill 3 of em my  
boys finna leave a nigga set clear  
Fuk the car in the bushes hop out with glocks out I fuk  
with webbie me an webbie on sum swap out  
Hit em up an put the barrel in his face o he ain't dead  
yet den we gone make em bare taste  
O dis dat 85 cutlass dem millionairs in black hopin out  
buckets look dey want dat hit em up n public  
Them body bags white truck yellow tape we clutch n

I don't give fuck bout who u with  
An I don't give a lil fuk about what u did  
(Nigga) cause this that 85 cutlass shit o this  
The hit I'm um and stand over em in public shit [x2]  
Fuk the
