Shut up and let me talk to you...

[Chorus]

[Verse: Lil Phat]
Look...
I'm a kiss you where I miss you
Cause it's been a min since I hit you
I'm sorry that I took you from your first

But there's no mo reggie bae you fuckin with da purp
I tell you shit that make your head hurt but you do me
the same
But I can't stop the worst
You on my mind and I can't get you out my head
I'm on the road and I can't wait to get back to my bed
Even wet cause make up sex the best once I got
something to release a lot of stress
You holding it down while I'm gone and keep yo legs
closed
When we be fuckin I'll have ya hitting the head board
Baby I ain't trippen on you
I'm just trippen on the shit that you do
But baby I ain't trippen on you
I'm just trippen on the shit that you do

[Chorus]
