Big rang, bill ball CEO, shot call
Fuck me? fuck ya'll, ya money short mine long
Girl bend ova let em see that thea

Give me the bacon bitch you can get the ham

[Hook:]

I say my moneys gettin taller, taller than a baller
Yo girlfriend, I want her I'm gonna call her
Them niggas hatin but they know we tote sprayers
Rap stons, work bricks, NBA players

[Phat:]

My shoulder hurt, my shoulder hurt
50 cash in my Louie bag, it's not a purse
What the fuck you niggas smokin on, it's not purp
Put it in the ash tray, it's makin my head hurt
My phone ringin, it's one of you niggas wifeys
Lay down, be quiet, they first ??
?? on my daddy trail, they say he got work
The only thang he profit in is a youngin verse
Cd's, cars, hoes strippin like shakers

NBA players, we shoot em like the Lakers
You want that gangsta music, then meet me buy the
sto'
Life of a youngsta, (hol' on) pull on side tha road
Trill niggas, thick hoes, put em down they throat
The only time it comes out it ain't hard no mo'
?? mention mine, like where yo stacks
Get a phone call home, you gon' need Shaq

Don't mean to hurt ya feelins, but ya bitch a straight

"webbie how you made them millions and you stayed

I make the money ion let the money make me
Straight G, white silk Tee and a glock on
Fresh cut, \$150, 000 watch on
Straight grind, niggas slangin rhymes like 8 balls
Trill fam, I'm the point guard and this tha playoffs
Say ya'll, hatin ass niggas betta lay off
Watch where you stick ya nose, nigga blow ya dam
