[Hook 1: Fingazz (Lil' Rob in background)]

Go

Hit the floor, hit the floor

Hit the floor, floor

Go

Hit the floor, hit the floor

Hit the floor, floor (Everybody get up)

[Fingazz (Lil' Rob in background:)]

"The bang, bang, boogie, the bang, the bang, boogie...

"

"The bang, bang, boogie, the bang, the bang, boogie...

"

"The bang, bang, boogie, the bang, the bang, boogie...

"

"The bang, bang, boogie, the bang, the bang, boogie...

" (Everybody get up)

[Verse 1: Lil' Rob]

And bang to my newest song

Ain't no way you can do it wrong

Check one, two, one, two, it's on

It don't stop til the thrill is gone (Til the thrill is gone)

Til the break of dawn

Hard like the streets that we're scrapin' on

Times flies, don't be waiting long

Like Rob made you wait for your favorite song

We could bang to the boogie

We could even boogie back to the bang

But fools that don't dance, and taking a chance

Everybody's doing the bang, and I can even explain

[Hook 2: Lil' Rob]

You can move how you want to (How you want to)
Do your thang, go and move how you want to (You can
move how you want)
You can move how you want to (How you want to)
Do your thang, baby, move how you want to (Do it, uh
hun)

[Chorus: Fingazz (Lil' Rob in background)]

"The bang, bang, boogie, the bang, the bang, boogie"
"The bang, bang, boogie, the bang, the bang, boogie"
(Everybody get up)
"The bang, bang, boogie, the bang, the bang, boogie"
"The bang, bang, boogie, the bang, the bang, boogie"
(Everybody get up)

[Verse 2:]

And bang to the beat like so
He bangs to the beat like a pro
She
Bangs to the beat like whoa
And they
Bang to the beat like no
No
They gots to chill
How they supposed to chill when you can't sit still
And that's for real
Good times, homie, that's the deal
Don't be a fool and act too rude
Don't wanna be wasting your time
If you didn't want through the door to hit the dance
floor
Then why you'd bother waiting in line, you must be out
of your mind

[Hook 2]

[Chorus]

[Verse 3:]

[Fingazz:] I'm a

[Lil' Rob:]

Bang, bang, to the boogie song
Yeah, she knows the boogie song
She says that's her favorite song
You can bang, bang to it all night long (All night long)
Yeah, that's how she's doing it
She's got a bangin' body, and they love how she's
movin' it
She bangs so hard, all the homies are losing it

I hope nobody trips and the party ruins it
So get up off your seat
Move your body, make sure you movin' your feet
And
Up jump the rhythm to the boogie that bang, bangs
The rhythm of the boogie, the beat (Everybody get up)

[Hook 2]

[Chorus]

[Fingazz (Lil' Rob in background):]

"B... "

"O... "

"O... "

"G... "

"I... "

"E... "

"Bang... "

"Boogie... " (Everybody get up)

[Hook 1]

[Fingazz:]
