Yeah Yeah
Yeeeah

Hey Baby I Had A Dream Last Night
Yeah

[Chorus:]
I Said Baby I Just Had A Dream
That one Day Me And You Will Be
Baby The Life That I Imagine To See
Together Forever
No One Could Do Better
[Lil Rob:] (No Could Do better Remember)
See Baby I Just Had A Dream
That one Day Me And You Will Be
Baby The Life That I Imagine To See
Lovin You Always
But I Gotta Get back To The Streets

(Yeah)
I Catch myself Daydreamin (Dreamin)
I'm Thinkin Of You
And All The Reasons
Why I Love You For All Seasons (yeah)
I Could Never Get Enough
Baby Your my Sugar Rush
Baby Your My Sugar Plums
Sweeter Than Bubblegum We Become One
And One Is What We Become
And I Woudnt Trade It In For Nothing Else
(Yeah)
Cause Your Really Something Special
You Was Something Else
No My Name Is Not Martin Luther King
But I had A Dream
And I Love What I Seen
Baby I Seen You And me (You And Me)
Livin Out A Fantasy

[Chorus]

It's Time To Go And Change The Pavement (Pavement)
I Gotta Go Out
And Hit The Pavement
Though I Hardly Say it
I Could Never Get Enough
Baby You Are Just Too Much
Baby Your My Cutie Pie
And Your The Reason Why
I Will Never Wanna Die
Let's Make Love and Multiply (Multiply)
I Could never Say Goodbye
Baby Yes It's You And I
Now Let's Fly
I Hope You Know
What I Mean Last night Had A Dream
And Love What I Seen (Love What I Seen)
Baby I See Me And You
Only You Could Make My Dream Come True

[Chorus]

It's Time To Go And Change The Pavement (Pavement)
I Gotta Go Out
And Hit The Pavement
Though I Hardly Say it
I Could Never Get Enough
Baby You Are Just Too Much
Baby Your My Cutie Pie
And Your The Reason Why
I Will Never Wanna Die
Let's Make Love and Multiply (Multiply)
I Could never Say Goodbye
Baby Yes It's You And I
Now Let's Fly
I Hope You Know
What I Mean Last night Had A Dream
And Love What I Seen (Love What I Seen)
Baby I See Me And You
Only You Could Make My Dream Come True

[Chorus]

Come On Don't Worry Bout A Thing
No No, No No Nooooo
You Know I'd Treat You Like A Queen
Yeah yeah
[Lil Rob:]
That's Right Baby
