Love problems money and drug problems it's all some
shit that brings you down
My life couldn't get worse
I wake up with this curse, it's like
Fuck I woke up
Me and my chick just broke up
And I was broke up
I just lost trust for people, all around me
Not just friends not just acquaintances,
But also family, and it's sad to see
Family being like an enemy would be,
YouÃ¢ÄÃ¢Ä™ re no longer family now youÃ¢ÄÃ¢Ä™ re just
an enemy to me,
DonÃ¢ÄÃ¢Ä™ t speak to me
I'm high not high enough to not feel the pain of being
betrayed,
Played, portrayed for a fool that shit aint cool,
We aint in school, I quit school because of the
playground,
And my homeboyz that have been down and stayed
down,
Well now they aint around, they do what they do, did
what they did, had kids
And thatÃ¢ÄÃ¢Ä™ s all good though,
ItÃ¢ÄÃ¢Ä™ s not their fault I'm all alone,
In my lonely lil' hood homes, behind this smile there's a
frown,
Sad enough to bring you down
Hey there Ms Brown I'm feelin down
Hey there Ms Brown I want you round
Hey there Miss Brown I want you round, IÃ¢ÄÃ¢Ä™ m
feelin down
Hey there Miss Brown I need you round, IÃ¢ÄÃ¢Ä™ m
feelin down
I see you kickinÃ¢ÄÃ¢Ä™ back
With the homies all the time and
I wanna try you what would you do to me?
Is it true what they say that u would take my pain away?
Leave me with nothing but sunny days and take my rain
away?
Right away what am I missin?
How could I miss some thing I never had?

And are u really that bad?
Don't even know you but I want you so bad
Guaranteed to make me feel good
I wish you would
Should I introduce myself to Miss Brown?
I think I should
Mucho gusto
Such a sweet love
Sweet like chocolate,
Make me feel higher
Than weed does
She does things to me that makes me see
Things in a whole new way
I'd pay any price to feel this nice
You're priceless
Make my life timeless
Thank you for your kindness
I just can't get enough of you
Your so addictive and I'm
So addicted

Hey there Ms Brown I need you round
Hey there Miss Brown I want you round I'm
feelin down
Hey there Miss Brown I need you round im feelin down

I'm trying to say that I'm not perfect you see
We all make mistakes I'm far from perfect
My heart aches
My heart brakes
Wish it didn't but it does,
Wish it wasn't
But it was
I try to look you in the eye
But I can't see thought the fuzz it's
because of this it's come to this
It's the loneliest loneliness
I thought two times when my primo told me this, he
said "slowly she becomes
You till you become her then your life becomes a blur,
and you forget who you
Were"
I guess he was right I look in the mirror and I don't
know who I am
I'm lost
Don't even know what direction I'm in
Hey there Ms Brown come paint a pretty picture again
I'm feeling down ms brown makes me feel better again
I'd like to thank you for your kindness
I just can't get enough of you
Your so addictive and I'm so addicted

Hey there Ms Brown I'm feelin down I need you round
Hey there Miss Brown I want you round I'm feelin down
Hey there Miss Brown I need you round I'm feelin down
Hey there Miss Brown I want you round I'm feelin down
Hey there Miss Brown I need you round I'm feelin down
