I, I who have nothing
I, I who have no one
Adore you and want you so
Iâ€™m just a no one with nothing to give you
But oh, I love you

You, you buy her diamonds
Bright, sparkling diamonds
But believe me, dear when I say
That she can give you the world
But sheâ€™ll never love you the way I love you

She can take you anyplace she wants
To fancy clubs and restaurants
Where I can only watch you with
My nose pressed up against the window pane!

I, I who have nothing
I, I who have no one
Must watch you go dancing by
Wrapped in the arms of somebody else
When darling itâ€™s I who loves you
I love you, I love you, I love you
