yeah, its just one of those days, uh huh
where everythings all good in the neighborhood man
you know what im talkin bout

its just one of those days i'd say about 78
degrees(yeah its a nice day man)
you can feel AND SEE THE BREEZE rufflin with the trees
im holding the pacific i feel and look terrific
hittin switches in the classic chevy impala watch me tip
it(its just one of those days)
the sun is shining and it couldnt be brighter
im rollin down valley in cali, in a candy lowrider (in a
candy lowrider)
little kids on bicicletas lickin on paletas
that they got from the ice cream man...(its just one of
those days)
on my way to the parque where my homeboys kick it
i seen them juras drive by but then trippin
its all good in my neighborhood and it feels good to be
alive
its just one of them days that make you never wanna
die

its just one of those days
it MAKES ME WANNA JUST GET UP AND GO
go pressed, freshed dressed and im out the door
jump in my 63 hit the juice on my ride
sportin white cortez' with the swoosh on the side
it its just one of them days that makes you never wanna
die
it MAKES ME WANNA JUST GET UP AND GO
go pressed, freshed dressed and im out the door
the sun is shinin and i love it that way
i cant help but feel good its just one of those days
its just one of those day

...hanging off the telephone wires
chavalitos on the swing sets seeing who can swing
higher
and theres a smile on everybodies face, theres nobody
dying

so nobodies crying, theres no tears, no not a single
trace
the girls look good and prettied up with a smile
they know what a man likes and shit im liking their style
the suns out and im out and about
loving the weather it couldnt be better(hell no)
and thats without a doubt
cruise and find a place to chill and relax
and tilt some cold ones back si i like shit like that, shit
a wouldnt have it any other way
homies bumpin the zappin..

its just one of those days
it mAKES ME WANNA JUST GET UP AND GO
go pressed, freshed dressed and im out the door
jump in my 63 hit the juice on my ride
sportin white cortez' with the swoosh on the side
it its just one of them days that make you never wanna
die
it mAKES ME WANNA JUST GET UP AND GO
go pressed, freshed dressed and im out the door
the sun is shinin and i love it that way
i cant but feel good its just one of those days

backyard boogies and barbeques packed with a lot of
fools
alot of hynas too, alot of food and alot of booze
its just somethin we do on a day like this one
old school music bumpin thumpin out the system
beautiful women, line em up and i'll pick one
probably, go get a quick one
come back and we'll twist one
i cant change my evil ways
but what can i say, i like to play
i cant help it, its just one of those days

its just one of those days
it mAKES ME WANNA JUST GET UP AND GO
go pressed, freshed dressed and im out the door
jump in my 63 hit the juice on my ride
sportin white cortez' with the swoosh on the side
it its just one of them days that make you never wanna
die
it mAKES ME WANNA JUST GET UP AND GO
go pressed, freshed dressed and im out the door
the sun is shinin and i love it that way
i cant but feel good its just one of those days

Its just one of those days
