Never mind what I do, stick to you, let me live, it's my life

(It's my life, it's my life)

It's what I go through everyday

(I'm just an average man tryna do the best I can)

Never mind what I do, stick to you, let me live, it's my life

(It's my life, it's my life)

It's what I go through everyday

Let me tell you the type of things we go through, you know?

I rap about what's real and what I go through on the daily

It's crazy, like my neighborhood back in the 80's

I've seen shit, I lived it, I know it, so I give it

I can't stop and I won't stop until I'm finished

In the 90's you could find me on Hernandez with the homeboys

Lookin' out for the chota, livin' la vida loca

Look in my pockets, someone always had some fusca

You know how it is, you rollin' through you keep trucha

Bullets flyin' I ain't lyin', I got hit by one

Jefita cried, I almost died and it was just for fun

We're never doin' what we oughta be

Rest in peace to my homeboy Peewee

Got shot by a cop in a robbery and honestly

That part of our lifestyle is unsuitable

Don't act like you don't know how it feels to go to a funeral

(Silencio)

That's how we're livin' though and then we wonder

Why they look at us like we're some fuckin' criminals, you know

Never mind what I do, stick to you, let me live, it's my life

(It's my life, it's my life)

It's what I go through everyday  
(I'm just an average man tryna do the best I can)  
Never mind what I do, stick to you, let me live, it's my  
life  
(It's my life, it's my life)  
It's what I go through everyday

I never left the pad without shavin' my head  
Getting cleaned up, creased up take a joint to the head  
Never been to Juvie hall, never been to the pen  
But to my homeboys, I'm someone you could depend  
on

Used to use Krylon to write on fences and walls  
Big block, Old English letters standin' 10 feet tall  
United we stand, divided we fall  
Tighter than some 1218's two sizes small

Smile now, cry later, fuck it, why cry at all?  
And if we ever got busted homeboy, deny it all  
We didn't do shit, they can't prove shit and even if they  
could  
You never pulled rat or you're not welcomed back to  
the hood

You're known as no good, that's how it was, that's how  
it is  
Fuck your predicament, get your ass killed for that shit  
You don't believe me? I don't care if you do or if you  
don't  
I'm just sayin' what the fuck I've been through and it's  
no joke

Never mind what I do, stick to you, let me live, it's my  
life  
(It's my life, it's my life)  
It's what I go through everyday  
(I'm just an average man tryna do the best I can)  
Never mind what I do, stick to you, let me live, it's my  
life  
(It's my life, it's my life)  
It's what I go through everyday

I get the smallest wires, wrap 'em with the smallest  
tires  
Blaze more trees than the San Diego wild fires  
I get higher to inspire rhymes  
Say some shit to inquire minds and make sure they  
admire mine

Make 'em wonder what the fuck goes on in this mind of

mine  
I'm a cool dude, we can blow up for the final time  
It's all the same, ain't nothing changed, it's still this  
style of mine  
Neighborhood music, talkin' about how we do shit, we  
cruise it

We sometimes lose it and act foolish but who doesn't?  
'Cause a ruckus, fuck it, that's what you're stuck with  
Products of the barrio, got no where to go but we gotta  
go  
They ask me where I'm goin', shit I dunno

Around the town, see who's around, see who's down  
To get a twelve pack and a pound  
I'm lookin' for the answer at the bottom of a bottle  
It's just my luck I gots no luck, no California Lotto

Never mind what I do, stick to you, let me live, it's my  
life  
(It's my life, it's my life)  
It's what I go through everyday  
(I'm just an average man tryna do the best I can)  
Never mind what I do, stick to you, let me live, it's my  
life  
(It's my life, it's my life)  
It's what I go through everyday
