Visit "[Jump In The Ride](#)" on MotoLyrics.com

First of all I'd like to start it off by saying Q-Vo  
From a little vato con respecto y orgullo  
With much pride, jump in the ride  
Hit side to side, down the calle we slide and glide  
Hitting the switches, the paint job is sticking  
I'ma pop your tape in the tape deck because it's hitting  
You hear it from across town  
No gente don't get scared and don't let no one get you  
down  
'cause if they do I'll be around gente  
I'll turn your frowns upside down with my sounds gente  
Been doing this since I was fifteen and lived through  
nineteen  
Smoking up like Cheech and Chong having Nice  
Dreams  
Simon

[Chorus]

Jump in the ride, pass that ass from side to side  
As this crazy cholo takes you on another crazy cholo  
ride  
I don't really give a shit about what you're saying bitch  
Hey, what time is it

Yeah, it's time for jacking, my homeboys are-a packing  
Your fucking carrucha got the fusca so keep trucha  
'cause if you got what we want  
If it's firme as they say and it bumps in your trunk  
Then hey man that shit is getting taken  
I know it's something that your hating  
But us vatos aren't faking  
So give it up before it's too late  
'cause you'll get sprayed if you don't cooperate  
And so you punks want to try me  
That's what you get for trying to roll your bad ass up  
beside me  
We do it clean, ain't nobody behind  
You'll catch me on the rebound, I can't believe you think  
you'll find me  
I do shit the smart way  
You wanna start, pero man don't let my quette spray  
Because this vato just don't give a fuck and shit man

It's time to let my fucking quette spit man

[Chorus]

Jump in the ride, pass that ass from side to side  
As this crazy cholo takes you on another crazy cholo  
ride  
I don't really give a shit about what you're saying bitch  
What's your name? (Oh he's Hispanic man)

Ese Lil' Rob ready to take them to the street  
'cause I can take you to the street with a crazy beat  
Oh man, putos wanna be slipping, wanna be tripping  
But they don't know that their blood is gonna be  
dripping  
If they roll through my barrio man  
Don't fuck around with the crazy fucking vato down for  
the town  
Oh down for the town for the crown that he commits  
But I'm too sly, too slick so I split  
Get away clean, leaving the scene  
People think I live to die  
And I'm only twenty, with the bullet  
Not afraid to pull it, so don't make me do it  
Down for my shit, don't make me prove it  
'cause saves que, ese you can't last  
Once I start to blast 'cause I pull the trigger faster  
Here's a disaster, watch your hyna cry as I blast ya

Twenty with the bullet  
Twenty with the bullet

[Chorus]

Jump in the ride, pass that ass from side to side  
As this crazy cholo takes you on another crazy cholo  
ride  
I don't really give a shit about what you're saying bitch  
As we go a little something like this

Lil' Rob, Lil' Rob, Lil' Rob  
'cause I'm back on the fucking block and I

[Chorus]

Jump in the ride, pass that ass from side to side  
As this crazy cholo takes you on another crazy cholo  
ride  
I don't really give a shit about what you're saying bitch  
As we go a little something like this

Lil' Rob back in the house  
San Diego  
Lil' Rob baby baby baby

619, 619
