lets get n.a.s.t.y get ready for a nasty time
all the nasty things we can do
i wanna bring out the freak in you
let me bring out the freak in you

i like seeing you
and i would think nasty thoughts about me and you
all them nasty things we can do
let me bring out the freak in you
there is something i see in you
i definately see me and you
doing what nasty ppl do
can u blame me look at the ass on you
how the fuck can i pass on you
classy lookin freak nasty attitude
i jus have to be having you
it must be like heaven just to handle you
lay you down turn you inside out
watch it slide in and slide out
hey gurl you gotta pretty mouth
tease me a bit lick your lips suck your finger tips

2x

lets get n.a.s.t.y get ready for a nasty time
all the nasty things we can do
i wanna bring out the freak in you
let me bring out the freak in you
i wanna bring out the freak in you
let me bring out the freak in you

you look so good with me
and i look so good with you
got me infactuated
with them nasty things you do
you look so good and i just kno you feel so good inside
i love your eyes your creamy thighs
now baby open wide
i love the way you touch yourself
rub yourself down finger fuck yourself
looking like you enjoy yourself
watching me watch you making me want you

even more you know what you do
im a man that knows what to do
and im a man that knows what i like
turn around tities down ass up thats right

2x

lets get n.a.s.t.y get ready for a nasty time
all the nasty things we can do
i wanna bring out the freak in you
let me bring out the freak in you
i wanna bring out the freak in you
let me bring out the freak in you

so sexy the way you move
the way that you bend your body
only keeps me in the mood
you're too exotic so naughty
i love that look on your face
you give them feeel good expressions
i really dig ur foreplay
this xxx and sex sessions
bring your body close to mine
i think its time that you blow my mind
even tho this foreplay is fun
the night isnt done until we both cum

2x

lets get n.a.s.t.y get ready for a nasty time
all the nasty things we can do
i wanna bring out the freak in you
let me bring out the freak in you
i wanna bring out the freak in you
let me bring out the freak in you
