Lil Rob - U Can't See Me Lyrics

Open your eyes
Open your eyes 7 times
You can't see me

Pick a boo, I see you
I walk into the darkness if you see me say what's up
Lil rob can you rock the mic?
All f**kin night, what kind of questions is that?
Homeboy who the f**k you think I am
Lil rob, chicano, and my mnccn
I'll be the baddest and I put that on everything I love
The hairs on my chinny chin chin, my girlfriend, and my
bum I
chin
And my viesca to familia, primera, la colonia es mi
tierra, all
grudges like
luggage
F**k it stuck with astealo that you feel though,
Once you get to be true it will be fulfilled like me
though
See no, hear no, speak no, evil, if you add it, divide it,
subtract it, or try
to multiply it
There is no equal, people open your eyes quit looking
at the
world through a
peephole
I'm here, the one you need, the one you hear, over
here what's a
matter, can't
you see
O? I forgot ese you can't see me, ponle

Miera me miera me, I'm over here
Miera me miera me, I'm over here
Miera me miera me, I disappear
Pick a boo, I see you

Miera me miera me, I'm over here
Miera me miera me, I'm over here

Miera me miera me, I disappear
Pick a boo, I see you

You can't see me, but I see you
I see you in the I see you
Be nice to me and I'll be nice to you
But if you got a problem, f**k it
It's not the first time or the last time
That I pull a fast crime or past time
Mastermind he's after time, all the time
After time you will find it it's my way or the highway
It's no way, it's your way
Split a piece of wood and I'll be there at the stones
You will find me, it's over when 1999 be
Meet me at the crossroads I'll be chillin by the tree

Drinking lemonade, up in the shade with your family
Look at your boy, ain't he the cutest little kid
O? took over the f**kin crib and got blood upon his bib
I could do what I want, I might get you drug up in
confusion
You cry like the yorona, shut up it was just an illusion
See homeboy your not as bad as you claim to be
You can't see me, pick a boo, I see you

Miera me miera me, I'm over here
Miera me miera me, I'm over here
Miera me miera me, I disappear
Pick a boo, I see you

Miera me miera me, I'm over here
Miera me miera me, I'm over here
Miera me miera me, I disappear
Pick a boo, I see you

I love to sin, without a sin I had no fun
Where's the fun in that
Went to church, was no fun so I think I'm through with
that
Not like that, I don't mean to disrespect no one
But if you put disrespect, f**k you, my life goes on
We're beyond what your eyes can see, beyond what
you're
imagining
Where all the lil birds sing and you love what's
happening
I just chill I don't spill the wine over or drop a dime
I'll take care of all my enemies, homie it's all in time
I'm invisible, invincible, trick you with my visual
Leave you all miserable, mystical, viduals, beautiful
Payback to you to stay back way back, on the other side

of the
train tracks
My imagination gives hallucination-knowing situations
Turn a flick into a flame, it's insane
It be me, that homeboy you still can't see, open your
f**kin
eyes vato
You can't see me

Miera me miera me, I'm over here
Miera me miera me, I'm over here
Miera me miera me, I disappear
Pick a boo, I see you

Miera me miera me, I'm over here
Miera me miera me, I'm over here
Miera me miera me, I disappear
Pick a boo, I see you
