What's up
I think I saw him standing over there just a minute ago
Who?
Lil' Rob, he's pretty bad on the mic you know
Lil' Rob, Lil' Rob
It's the wickie wicked
Putos step and trip, I rip em up from the heart to the
brain
I remain the same, and I won't change
You can't stop this so stop this nonsense
People got this because they want this
Little cholo, oh no, Lil' Rob coming with my steelo ma
Lyrics are like the bullets out of a quette, time to reload
And make sure I never run out of ammunition til I finish
my mission
Fix all the mistakes that these putos make, oh man
grow up
Shutting doors in your face so that you can't blow up
Do you know who you're fucking with? Lil' Rob con
gonega neta
Leva you can bet your butt I'm down
Little vatos follow as I lead the way
And I say no to the bottles that you need some day
Never fuck with the calm one, the one that likes to kick
it
It's me the sly, the slick, the wickie wickie wickie wicked
Yea, that's the way to do it
It's the wickie wicked
Oh yea, that's the way to do it
It's the wickie wicked
Wickie wickie wickie wicked (wicked)
Wickie wickie wickie wicked (wicked)
Wickie wickie wickie wicked (wicked)
Wickie wickie wickie wicked (wicked)
I take the negative and turn it into positive energy
The people in my memory remember me
It'll never be the way you want it to be
It's not in my destiny, don't mess with me, you envy
me, offending me, I'll let it be
Can it be I be the only one who knows the rules
All these people yapping wanna meet their end too
But it won't happen cuz I know you lose respect when

you talk petho

Report the detho, chinga tu respecto porque no l
