I make beats for the stars  
They call me l.r.  
Take over, take over, it's the takeover

Girl, I'm a fiend and I'm hooked on you  
It ain't nothing rehab gone do  
I find myself keep calling yo phone  
Tryna find out why I'm addicted  
Girl, I'm a fiend and hooked on you  
Me going clean just won't do  
I find myself keep calling yo phone  
Tryna find out why I'm addicted

I can't even lie, I'm addicted  
Beat me up, scottie  
Got a mean lil walk and a bad lil body  
I ain't felt like this, something that I don't do  
Need the rehab center brittney spears went to  
Put you in my fav five on my tmobile sidekick  
Know that I'm a call you when a n\*\*\*\* need a quick fix  
Don't know what you did, but you got full control of me  
Got me over here fiending like jodeci  
Same goes for her cause she can't get enough of me  
Game so tight that she'll never stop loving me  
When I'm not with her, I go through withdrawal  
It's lamborghini moss and that boy l.r.

Girl, I'm a fiend and I'm hooked on you  
It ain't nothing rehab gone do  
I find myself keep calling yo phone  
Tryna find out why I'm addicted  
Girl, I'm a fiend and I'm hooked on you  
Me going clean just won't do  
I find myself keep calling yo phone  
Tryna find out why I'm addicted  
Shawty don't come off as a golddigger  
And she ain't no golddigger  
Hair done, nails done, outfit  
Herself  
And she allergic to a broke n\*\*\*\*  
Can you blame her though?  
Fellas by the do wanna hang her coat

Shawty so cute, baby so fine  
When she on the flo, run up behind  
I'm so happy that she came home with me  
Never felt like this, what's wrong with me?  
I'm addicted, shawty must be a type of drug  
I think I'm in love

Girl, I'm a fiend and I'm hooked on you  
It ain't nothing rehab gone do  
I find myself keep calling yo phone  
Tryna find out why I'm addicted  
Girl, I'm a fiend and I'm hooked on you  
Me going clean just won't do  
I find myself keep calling yo phone  
Tryna find out why I'm addicted

It goes ring, ring, ring  
Girl pick up the phone  
I pay the bill  
Girl pick up the phone  
Sending me to voicemail  
Now I'm tryna figure out the code to  
Your voicemail  
X2

Girl, I'm a fiend and I'm hooked on you  
It ain't nothing rehab gone do  
I find myself keep calling yo phone  
Tryna find out why I'm addicted  
Girl, I'm a fiend and I'm hooked on you  
Me going clean just won't do  
I find myself keep calling yo phone
