She is so wet
She already wet
She is so wet
She already wet
She is so wet
She already wet

First she see the car
Then she see the jewelry
Then she see the chick
Now she is all lonely
Pussy already wet
Pussy already wet
Pussy already wet
Pussy already wet
Pussy already wet

I took her to the house
And laid her on the couch
Soaking out the penny before
Pussy already wet
Pussy already wet
Pussy already wet
Pussy already wet
Pussy already wet

She said she had it good
And she say she is from my hood
.. man I am giving her the wood
.. she will be opened
Roll roll your boat till 8 in the morning
Eye ball touching me is written on your face
I can tell you wanna fuck with me
You .. with the .. yeah I get it goodie
Ain't no relationship
All we get is benefit
No .. equipment .. get with this
She is a gemie fuck
She think she is fast
They way she looks at me
She is messing up her panties

First she see the car
Then she see the jewelry
Then she see the chick
Now she is all lonely
Pussy already wet
Pussy already wet
Pussy already wet
Pussy already wet
Pussy already wet

Bounce around and I am looking back
Got a scream and I looking crack
