(50 Cent)

Ahh nigga what you don't know, is I ride around with

Got a lil brown tryin to get some more, you try to front  
I'll let the whistles blow, the whistles blow?

Chorus:

I represent Atlanta, I'm a A-Town rider, I'll lay a nigga  
down, (ahh nigga what's up)

I ain't aimin at your legs, I'ma put it to your head, leave  
your brains on the ground (ahh nigga what's up)

Nigga ?? kids niggaz out here catchin biz I'm the dick  
playin around (ahh nigga what's up)

Shawty gon? keep talking and we talking I'ma put that  
fuckin gun in your mouth (ahh nigga what's up)

The prince of the south, back up in this  
With the tool in my pocket and the A-town fitted,  
If you don't get love from the A, then you ain't winnin  
I'm on the ?, butt naked hoes and big boy pimpin  
In the A, all the niggaz they think I be trippin  
Cuz I walk with my gun out, prepare for the lickin  
The young boys stay crunk, them rims be spinnin  
Niggaz will jack you for your car, I don't care what you  
whippin

But I'm gonna tell you like this, I don't play no games  
I was built for this shit and I can take the pain  
Through my whole life course I've been off the chain  
And niggas knew I been broke way before the fame  
I been havin ? thoughts of ? a nigga  
Ooo I wish a nigga would, I don't take that shit  
If a lot of talkers are less, walkers that's rich,  
my momma taught me to hit every nigga that act like a  
bitch

Chorus:

I represent Atlanta, I'm a A-Town rider, I'll lay a nigga  
down, (ahh nigga what's up)

I ain't aimin at your legs, I'ma put it to your head, leave  
your brains on the ground (ahh nigga what's up)

Nigga ?? kids niggaz out here catchin biz I'm the dick

playin around (ahh nigga what's up)  
Shawty gon? keep talking and we talking I'ma put that  
fuckin gun in your mouth (ahh nigga what's up)

Yeah there's no place like home, there's no place like  
home?

See these streets pay me, I'm a ? baby  
Who better like ?, I don't care if they like me  
If I am A, around my way, I'ma rep the A all god damn  
day  
It's Atlanta GA, so watch what you say, that's where I  
stay, I be on Cascade  
The choppers spray, get hit with the K, from a block  
away, fuckin with me  
Zone three is the place to be, where the young niggaz  
will get you got for free  
You don't see a crack head getting crunk on tv, and if  
you don't believe me, then why don't you come see? A

Chorus:

I represent Atlanta, I'm a A-Town rider, I'll lay a nigga  
down, (ahh nigga what's up)  
I ain't aimin at your legs, I'ma put it to your head, leave  
your brains on the ground (ahh nigga what's up)  
Nigga ?? kids niggaz out here catchin biz I'm the dick  
playin around (ahh nigga what's up)  
Shawty gon? keep talking and we talking I'ma put that  
fuckin gun in your mouth (ahh nigga what's up)
