We can do it if you want to
Hey bitch, what you gon' do if you wanna buck
We can do it if you want to
Push a nigga, slap a nigga, pussy nigga, hoe nigga

Straight from the corna, the north is ma hood
I don rode on 4 flats and it's still all good

Project Pat is outta jail and we 'bout to get dis mail
To you hataz tryna rap, quit playin' wit ya selves
Memphis, Tenn, ATL, we gotta get dis cheese
And we count big bills, while deez hoes on dey knees

Mad 'cause they see me smilin' grillin' in his hoe face
It ain't ma fault, you should her made her stay in the
place
She couldn't help it, I'm the king of dis area code
I been blowed, I got time balls, waitin' to explode

Fifteen years I'mma inspiration in dis game
You just gettin' dat car tomorrow, dat style about to

If you was real you'd recognize real
But bitch you blind to the signs get ya monkey ass

If a nigga wanna throw I'm throwin' nuttin' but bows
And what it is, you don't wanna go wit da legend
Beatin' niggas ass into the hell of heaven

Wassup I'm drunk but I'm crunk in dis bitch
If you wanna throw bottles, I'mma stab you quick
Ay, back off for a minute for I step in it
Nigga chill shawty ya boi ain't finish his sentence

And she came ova in ya damn favorite outfit

And I don't give a fuck if you wanna take it there
