[Chorus:]

That's her, that's her, that's her, that's her
Said that's her, that's her, that's her, that's her

[Verse 1:]

Check it
She got her own crib, she got her own whip
She got her own blimp so she take her own trips
She got her own swag, she buy her own bags
And when she hit the mall, man she pops her own tags
And she so pretty, house so diddy, she dont need no
nigga
And when she in the club, dawg she buy her own liquor
I mean her own bottle, and held it in the air
She throwed the old one, nigga like HELL YEA
Look, look at her walk
She look just like a diva
If she was a scale, then she'sll be off the meter
You know what she say "Money ain't a thang"
And when she take me out to eat, she buy the whole
thang

[Chorus:]

That's her, that's her, that's her, that's her
Said that's her, that's her, that's her, that's her
(What they say shawty?)
Ooh, she know she bad (Bad)
She know she bad (Bad)
Bad than a motherfucker
She know she bad (Bad)

She know she bad (Bad)
Bad than a motherfucker

[Verse 2:]

Yo, look man
Ima tell you bout her right now
Fashion all your jewelry and dont do nothin for her

And if you tryin' to impress her, gotta buy her more
than water
I think she kinda sorta, finer than the one before her
She'd rather ride her own whip, than slip off in yo
hummer
Oh yeah she smoke that kush, she dont fuck with that
mid
She mess with grown men, she aint fuck with no kid
Can't fuck with that shit, nigga stayin with his momma
She'd rather cash her check, than bein in some drama
She too free to let 'em cuff her, she's a sexy
motherfucker
While you tellin' her you love her, she'll be movin to
another (Uh Huh)
You got a Sidekick, she got a iPhone
Man I love that bitch, because she got her own

[Chorus:]

That's her, that's her, that's her, that's her
Said that's her, that's her, that's her, that's her
(What they say shawty?)
Ooh, she know she bad (Bad)
She know she bad (Bad)
Bad than a motherfucker
She know she bad (Bad)
She know she bad (Bad)
Bad than a motherfucker

[Verse 3: Stuey Rock]

Somethin' bout this girl that I seen
Five foot five, true religion jeans
Somethin' bout the way that she stands, Louis purse in
hand
And glasses in the other hand
Plus you got your own cash, and you got your own crib
And you got your own ride, swag on sateillite
She know she bad, She know she bad
She know she bad, She know she baaadd
B-Bad than a motherfucker

[Chorus:]

That's her, that's her, that's her, that's her
