Chorus:

'Se/ mo laoch, mo Ghile Mear
'Se/ mo Chaesar Gile Mear
Suan na/ se/an ni/ bhfuairesas fe/in
O/ chuaigh i gce/in mo Ghile Mear

Grief and pain are all I know
My heart is sore
My tears a'flow
We saw him go
No word we know of him...
Chorus

A proud and gallant cavalier
A high man's scion of gentle mien
A fiery blade engaged to reap
He'd break the bravest in the field
Chorus

Come sing his praise as sweet harps play
And proudly toast his noble frame
With spirit and with mind aflame
So wish him strength and length of day
Chorus
