(Welcome to my mixtape album i know yall been waitin
for it so here we go lil trell)

(Verse) straight out da clem we comin at you niggas
full blast heavily heated but still ready to whoop some
ass i know you niggas is out there ya'll can't wait to
hate you betta stay in yo place or you'll get shot in yo
face cuse i ain't runnin from shit and that's honest to
god you plan on beatin me down you betta finish the
job cause if i get back up there's no way you gon't live
i'll be on the run for yo murder like a fugitive i got alot
to lose but i'll give it all up for any bitch or a nigga that
keep pressin they i'm not a bad mutha fucka and i neva
tryed to be but i'll be damned if i let a nigga fuck over
me as a youth i was taught how to hold my own and i'm
a stay this fuckin way until i'm dead and gone i've been
tryin long enough and all i see is riches how common
people fuck with me and i'm a bury you bitches
