Females in the club, I can get whoever that I want

Whips in the garage, I can drive whatever that I want
Females in the club, I can get whoever that I want

This right here that triggers language

And I shoot your ass in different palce4
Then I leave your ass in different places.
Damn! my life, your entertainment
Ignore the ignore...
My girl speaking different language
In magazine I'm on different pages
Ace of spade, different cases, dug court, different
case
Kill ya ass steal ya ass rebuildyour ass, renovation
Get money, demonstration, valet parking...
You all don't know my situation
So fuck ya all, penetration!
Mayo, Mustard, can't catch up to my separation
... we're a mother for the federation!
