Until the day I die, Imma hold it down
On the road to get rich, I ain't slowin down
Rep from Dallas, so Imma stay true to me
So fix your face up, hater get used to me

Until the day I die, Imma hold it down
On the road to get rich, I ain't slowin down
Rep from Dallas, so Imma stay true to me
So fix your face up, hater get used to me

Twist bout to kill em, just watch how I peel em
Leave em lookin real Urkel
Don't make me Jaleel em
You got Urkel in ya waist
You got Urkel in ya face
I guess my whole Family Matters
Every time I'm in the place
See, the blind is gon see me
The deaf is gon hear me
And even with no hands
I bet these peoples gon feel me
They gon have to kill me, I mean assassinate
Boy, I mean assassinate
Because my brother said I'm great
And we greater than whoever
We call God for the weather
Like what it's gon be God? For now and forever
Answer can't get no better
Answer can't get no better
Cause the Class President said so and I'm better

Until the day I die, Imma hold it down
On the road to get rich, I ain't slowin down
Rep from Dallas, so Imma stay true to me
So fix your face up, hater get used to me

Until the day I die, Imma hold it down
On the road to get rich, I ain't slowin down
Rep from Dallas, so Imma stay true to me
So fix your face up, hater get used to me

Pump, pump get em up

Lil Twist really killed em, what
Ya girl call me baby
So I'm walkin with my sippy cup
Layin in the bed
I know you suckers really missin us
I showed her I'm a boss
So let me show my Piston Cup
Wanna know the next stop? The next stop recordin
Or layin down tucked in and watchin Just Jordan
West after this, Twist baby just tourin
And I ain't got a tour bus, a bird, we're just soarin
Land at the next stop, she say "You got it made"
Well enough of the talkin ma, I gotta hit the stage
And watch the buku fans go crazy for me
I tell ya homie, watch the TV

Until the day I die, Imma hold it down
On the road to get rich, I ain't slowin down
Rep from Dallas, so Imma stay true to me
So fix your face up, hater get used to me

Until the day I die, Imma hold it down
On the road to get rich, I ain't slowin down
Rep from Dallas, so Imma stay true to me
So fix your face up, hater get used to me

OK, I'm doin this forever
And you ain't on my level
I'm the Undertaker to the game
You might wanna buy a shovel
I'm the dead man walkin, the dead man talkin
My crib name Dallas, and my car name Austin
Down in Texas, you can't catch I
So high up in the game like I hear birds cry
Bringin folk together Lil Twist the white
White shirt, black pants, white shoes, black tie
And I don't have to lie, I'm super duper fly
Cause I'm that guy, yeah
Me and
Lil Twist and Young everyday
Yeah, I'm doin this forever

Until the day I die, Imma hold it down
On the road to get rich, I ain't slowin down
Rep from Dallas, so Imma stay true to me
So fix your face up, hater get used to me

Until the day I die, Imma hold it down
On the road to get rich, I ain't slowin down
Rep from Dallas, so Imma stay true to me
So fix your face up, hater get used to me

Imma keep on doin this
Say, I'm gon keep on doin this
I'm gon keep on doin this
I'm gon keep on doin this
I'm gon keep on doin this
Say, I'm gon keep on doin this
I'm gon keep on doin this
Forever
