[Lil Twist:]

Let's chill
Let's settle down
That's what I wanna do
Just me and you

Let's chill

Just me and you

Smooth vibe like a harmony

And I hope u think of joinin me
And plus you add the double t's to my twist
Without those two I'd be wis

Shawty you know that we can chill tonight
Or we can chill in the morning
Love to wake up and see you yawning
I make sure that you have
Breakfast in bed
And a lexus in red
We can go to texas instead
But down in new orleans tonight
Aite
So we can juss spend it for eternity
Girl I hope we stay together for eternity
And ooooh girl you look so good without ya make-up on
I got a love jones in my bones for ya skin tone
And when my phone ring I hope it's you askin can we

Like zero below
Had to introduce her to my hero below
Why waste time says my frank meuller
And we can swim around and juss drown in the cooler
Baby we can chill like ice I'm the jeweler
Wrap around yo ass like a braclet or a hu-la-hoop
The group
Is young mula
But that's another subject
See right now I'm tryna budget
Yo situation
Girl I'm like a mental patient
Lookin for an invitation

To your destination
Girl I like your presentation
And I like your dedication
I ain't talkin ameration
Girl I'm talkin mezmeration
