Girl you look so good to me I cannot lie.  
I never seen a girl so fine.

I can't get you out of mine.

You say I ain't old enough.  
Girl just give me a chance.  
Ya man he ain't strong enough.  
I'm about to take you off of his hands.  
His money ain't long enough.  
Girl you need to put me in your place.  
Got to put me On, On, On On On.
