Wake up,  
I'm in my zone, I'm feeling it  
Stop blowing my buzz, quick killing it  
They try to shut me down, like twist ain't been around  
Bout a bugger ago

But I'm still in this bitch, still smoking big shit  
We still in this bitch, I'm still in this bitch, bitch  
Tryina slow me down, I'm smoking out the pound  
Ain't talking to me now, for an hour or so  
But I'm still in this bitch

Okay I pull up, pull up, pull up, in that whatever I feel  
Like zz pull up in that rari, kid might pull up on that dirt  
bike  
I am hot highest degree, light up a blunt pass it till to  
me  
Now I'm super faded, eyes rolled can't see  
So I jump in the ...wearing 2 tmzl  
I try to walk around in this bitch, click thick in this bitch  
Bag it's lick ocean cream, I get seasick in this bitch  
Warrup south side, I'm in this bitch  
They think I'm trippin now, but they ain't seen shit  
One more blunt make make me rich  
Tweezy diarrhea, I've been more than the shit  
No influence, no matter role model,  
Cause I lean towards the curbs, I was born with a gift  
All in my zone, off of patron  
Tell Harvey to leave me alone  
Before I send a nigga with the chrome, straight in your  
home  
Leave one in your dome, bitch

We still in this bitch, I'm still in this bitch, bitch
