(Chorus)

I said I'm so drill
That's just how I live
Got a mind so bright
Like a painted light bell
But the world sleeping on me
Like they drinking nyquil
Time to wake their ass up
Don't give a fuck how they feel
'Cause I'm a blunt blowing
Polo drive showing
And I don't give a lovely
Motherfuck, and they know it
Fresh shine, a thousand dollars check
Watched them keep blowing and
They keep rolling
'Cause the weight so cold ,hah

(Verse)

I be money, BKA no paper
Go chase down that twenty
From the b down to Dakota
Started at the bottom
Now I'm even living major now
Now I'm history into making
In a fetch of sailing

(Chorus)

I said I'm so drill
That's just how I live
Got a mind so bright
Like a painted light bell
But the world sleeping on me
Like they drinking nyquil
Time to wake their ass up
Don't give a fuck how they feel
'Cause I'm a blunt blowing
Polo drive showing
And I don't give a lovely
Motherfuck, and they know it
Fresh shine, a thousand dollars check
Watched them keep blowing and
They keep rolling

'Cause the weight so cold ,hah

(Verse)

Can't believe that I grew up,well
I've been grown since 13
And he who's 30 you know you wanna screw us
Chopped up and I'm screwed up
My trunk waving at losers
I stand with my crew in the back of the club
Let the girls come over and choose us
I bow hard and my team red
Like the Indiana Hoosers
Twizy F Mr. Grade A
Eventho I thrive me tutor
And now I'm gone and she'll be back
Then I can gray her
She called me daddy
I make sure she turned in today's paper

(Bridge)

And I'm so real
That's just how I live
Riding in the slap death
Wheel to the cliff
'Cause I've been the same nigga
Even before I got the deal
Shup up and be pimp C in the flem
'Cause I'm

(Chorus)

I said I'm so drill
That's just how I live
Got a mind so bright
Like a painted light bell
But the world sleeping on me
Like they drinking nyquil
Time to wake their ass up
Don't give a fuck how they feel
'Cause I'm a blunt blowing
Polo drive showing
And I don't give a lovely
Motherfuck, and they know it
Fresh shine, a thousand dollars check
Watched them keep blowing and
They keep rolling
'Cause the weight so cold ,hah

Here since I was young
And I was young money
And everything I do
I keep it one honey
Niggaz know I'm the king
Treat this like homecoming

And now I'm leaving brandy girls
Like let me hold something
You must not know my struggle
You must not know the story
Tryin' to run down yours
You must not go before me
But I ain't got time to wanny
I must get mind and run it
They out of their mind or else
I guess I'mma head on my time
On something
Your feeling is fine
Took 'em right in it and might live with the grind
Niggaz impacient they wasting their time
Saying you got me, they know that they lie
And I ain't even worried about them
My mind just stacking cash money like fanny and slim
'Cause I'm
(Chorus)
I said I'm so drill
That's just how I live
Got a mind so bright
Like a painted light bell
But the world sleeping on me
Like they drinking nyquil
Time to wake their ass up
Don't give a fuck how they feel
'Cause I'm a blunt blowing
Polo drive showing
And I don't give a lovely
Motherfuck, and they know it
Fresh shine, a thousand dollars check
Watched them keep blowing and
They keep rolling
'Cause the weight so cold ,hah
