What up twist
What it do
I am going hard on them bitches
This is how a nigger do
Lounge like a chef down in cord blue
All money but he think I hardly do
What up twist
What it do
I am balling hard on them
I think I am number two
Living large my garage full of funny â€¦
Blue money when they bring it
I am gonna spin it too
I am getting money like a mother fucker traffic kid
On the movie scene sticking that actresses
Blue is for the ladies driving them crazy
Is this just this new Mercedes cost like a hundred and eighty
If it licks at least once a week got in this game I am
playing for taking
Like .. these geeks I am trying the main stream balling
down to the streets
I am on a block the old cliff to really bring the heat now
Miami coasting cupid bitches approaching
She don't speak no English she is â€¦ the ocean yeah
this shit is real that is what the homie told me
They .. girl they know me they like
What up twist
What it do
I am going hard on them bitches
This is how a nigger do
Lounge like a chef down in cord blue

All money but he think I hardly do
What up twist
What it do
I am balling hard on them
I think I am number two
Living large my garage full of funny â€¦
Blue money when they bring it
I am gonna spin it too

Bend over let me see it looking for a tree nigger I can ..

Like I am long hair don't care sexy with a funny face
Ass like delicious you know how to cook a different

Cause I will be spinning what a baler make
No love form I don't give a fuck who they are laughing
at their pay
Just liking who they are my uncle five star my garage

And I keep that money coming like a cash ball should
have seen my last car
Should have .. like a nice car that is it for the .. hit the
hood I am gonna scream out
What up twist
What it do
I am going hard on them bitches
This is how a nigger do
Lounge like a chef down in cord blue

All money but he think I hardly do
What up twist
What it do
I am balling hard on them
I think I am number two
Living large my garage full of funny â€¦
Blue money when they bring it
I am gonna spin it too
