Chorus

Girl I wanna see you wind it
Wind It, wind It
Wind It, wind It
Wind It, wind It
Shut the club down
Girl I love it when you wind it
Wind It, wind It
Wind It, wind It
Wind It, wind It
Shut the club down
Shut the club down
We shut the club down
Shut the club down

Verse 1

I wanna see you wind it, wind it
Now let me get behind it
I could make you popular baby with no timing
You want the life like the star shining
Now let me show you what I mean when I say I'm
grinding
Follow my lead you with Twist let's get to web signing
Playing touch football baby I bees the lineman
Hut, bitch that
I promise I won't miss that
But when I throw it off you got to get that
Ba da bing, got to get that
Rhen I get back
To the hard work I was doing before it paid off
If I do another worldwide tour maybe I can do a couple
more of these as some days off
Kick my Jays off
Relax in the shades, shades off
Chillin with a down south bitch
Now stand up cause girl I wanna see you

Chorus

Girl I wanna see you wind it

Wind It, wind It
Wind It, wind It
Wind It, wind It
Shut the club down
Girl I love it when you wind it
Wind It, wind It
Wind It, wind It
Wind It, wind It
Shut the club down
Shut the club down
We shut the club down
Shut the club down

Verse 2

You make the club come to a halt
Baby I know what you do, cause I was well taught
By my brother named Weezy
Pimping ain't easy
I can get any girl but you still didn't want to beleive me
So I
Went for you cause I know I can get you too

And that's what young bosses do
Can't ask me, now who are you?
Teah
Nice to meet ya
Seems like every girl want to be
Sexy mama mia
Remind me of Ms. Aleah
Okay now, I see you keep working
Me I'm looking like the ice man balling like George
Gervey
I'm serving these haters up
Now back to you girl cause I can't get enough of you so
girl I wanna see you

Chorus

Girl I wanna see you wind it
Wind It, wind It
Wind It, wind It
Wind It, wind It
Shut the club down
Girl I love it when you wind it
Wind It, wind It
Wind It, wind It
Wind It, wind It
Shut the club down
Shut the club down
We shut the club down

Shut the club down

Hook

I love it when you
Sexy when you
Can't help it when you
Give it to me
Sexy lil thing when you
Gone make them girls hate when you
Girl I love it when you
Sexy when you
Can't help it when you
Give it to me
Sexy lil thing when you
Gone make them girls hate when you

Chorus

Girl I wanna see you wind it
Wind It, wind It
Wind It, wind It
Wind It, wind It
Shut the club down
Girl I love it when you wind it
Wind It, wind It
Wind It, wind It
Wind It, wind It
Shut the club down
Shut the club down
We shut the club down
Shut the club down
