Yeah (DJ I'll Will) yeah  
Ha Yo Tez guess wat?  
I'm back from the yearbook with class president flow  
I'm so I'll with will like fresh prince yo  
Lil twist shine like sheen in a hair show  
And glow like a jewelry show and flyer than a sparrow  
Flyer than a bird no I'm flyer than a eagle or falcon  
Or maybe a hawk can shoot my free throw  
Young money key go lock it in the door  
Man I swore we can't go now the beat are made for us  
Young money sore you better flow to the shore  
In the line scare of maror with diamonds galore  
You better open up a store or open up a plaza  
Grand opening and put my face on the flyer  
Call me young Obama, meet me in bahamas  
Break ya talk up with a pause no comma  
Leave you in a coma with these stupid lines though  
I seek for new cars can't forget stupid hinds though  
I'm in Cucamonga yea I'm talking Rancho  
Credit race flash to reach me like panchos  
No immigrants you can catch me in the river and

If they wanted a "ah" I probably wouldn't give a  
And if they wanted a "bah" I probably wouldn't give a  
And before askin me ask yourself in the mirror (ha)  
Ask him, ask reflecto bozo because if you ask twist I  
reflect on Polo  
And I'm a wild rapper like my beats for gogo  
Or I live on the bay and get hyphie for photos  
Slow motion with it, slow motion with it  
Got a new jet ski, my ma say hit the ocean with it  
Class president you better sit down and listen  
And I hear I sound like Bootsie, what the heck am I  
missing?  
End up catchin live bait what the heck am I fishing?  
And if you wanna be better than me then stick to the  
wishing  
Or right in front of the teacher like in school detention  
And I forgot to mention cooking kids in the kitchen  
Cleaning kids in the kitchen you can say that I'm dishin'  
And these kids paying me I'm like school and tuition  
(Ha yeah) I'm the class president fool

75-3 slide the class president school (ha)  
I'm a boss like Ross I want these teen rappers for  
dinner  
With Big Mac sauce no middle bun no homo you be ron  
No romo me no speak no inglÃ©s and lil twist color be  
rojo (ha)  
Class president is lil twista catch me at the live debate  
with ya lil sister.
