Yessir!

They can't stop me... even if they stopped me ha ha ha
yea

I'm on it ooh I'm on it I'm so on it and how ever you want
it

You can get it tonight hoe
And all night hoe I get the beat from

(Mistro)

A fuckin right hoe

I might go crazy on these niggas I don't give a
motherfuck

Run up in a nigga house and shoot his grandmother up
what!

What I don't give a motherfuck get cha baby kidnapped
And ya baby motherfucked

It's tha Carter 3 bitch better put ya supper up

Holly grove I throw it up like I'm tryna lose my gut

Fuck is up beat him up like a million uppercuts

Got a million duffeled up for the fuck of it

Shit get on my level you can't get on my level

You gone need a space shuttle or a ladder that's
forever

However I'm better if not now than never

Don't you ever fix ya lips unless you bout to suck my
dick

Bitch swallow my words taste my thoughts

And if it's too nasty spit it back at me

Two more inches I'da been in that casket

According to the doctor I could of died in traffic

Bounce right back on them bitches like Magic

Abra-cadabra I'm up like Viagra

I just do this shit for my click like Adam Sandler

I control hip hop and I'ma keep it on my channel

Watch me!

Bitch watch me!

Bitch watch me!

But they cannot see me like Hitler

It's the New Orleans Nightmare

Money so old it's growin white hair

Young Money baby

Yeah we right here
I'ma make sure we ball till we fall like tears
And mama don't cry
Ya son can handle his
I got her out the hood and put her in the hills
Yeah when I was fourteen I told my mom we will see
better days
And sure enough I got Miss Cita in a better place
When I was fourteen I told my mom we will see better
days
And sure enough we did exactly what I say
I told my girl when you fuck me better fuck me good
Cause if another girl could she gon fuck me good
No sittin at the table if you bringin nothin to it
And I get straight to it like it's nothin to it
Yea I got game like Stuart...Scott
Fresh out the ESPN shop
And when sports in the poppin
E'ery thang stoppin but you can't fool me I know what
you watchin
ME!
You watch me
You watch me
Cause I be
WEE-ZY must see t.v.
C3 nigga that's me
And I'm me I'm me
Times three so retreat or suffer defeat
I'm back 3 PEAT.
