Remix Baby... Yup, I'm back, as a matta fact, I ain't go nowhere

This right here is the free mix... digg,

This for errbody, this for ya'll, no charge, just because... na mean?

Let's Go.

Ok, A millie sold first day I went gold how do I celebrate work on the carter 4

Yup, I ain't here to brag nor boast, this is simply an attempt to thank you the most

You the fan, you the man, and to my female audience I hope you use sanitizer cuz I'm kissin all ya hands

All my plans is well executed

This that electric music, you can get electrocuted

You know I extra do it, they say I'm the best to do

I say I'm better than who next to do it or whoever do it

They could never do it like me, I C O N, or you could call me MR. I GO IN

Boy you don't know nutthin bout me I am hip hop's proof

While they was hangin around I got that SlipKnot loose

I am Notorious, I'm 2pac in Juice

I'm the dude in Mark Weedn Rainbow but in Roots,

No fruit, no sweet

Which MC next shawty rappas like Sub Way and I eat
fresh Yes

Be blessed such a MES SS that you can't clean

I'm dirty like feins yes

I'm king, I do it like obscene, or been here before or
between

Your hoe or your queen

You know wadda mean, yea you know water dry

And you know carter tri, can you picture carter five?

Now put ya eyes at camera no recorder all live

And yup I rep that beehive, red flag on my levis

I hallo to the east side, I been a beast since I was knee
high

But now I'm grown til I'm tree high

As a matta fact I'm in the sky, as a matta fact I'm in the
ride of every black and the white human being

Can't forget about the Europeans, n the Asians, n the
Haitians, the Jamaicans, the whole nation, if I forgot ya
I don't hate ya that's just my human nature YEEEE
DIGG!

I'm fire like a cig, break ya off like a twig, swear I'm
iron like brig

Flow dyin, not sick

I am triumph, I'm big

Ask ya girl she agree, she been on me since they been
callin me lil weezy wee

But now it's Weezy F. Baby don't forget the F Baby

Yea you know I was gon say it, yea you know you wan
say it

I'm the greatest, I'm always better than my latest but
back to yo girlfriend I got her wetter than a bathing
suit, shoot to kill never to hurt, Weezy tippin yay the

definition of hard work

Even the humble Jay said that this is well deserved

He said I'm doin my thang, I said well shit you did it first, Thank You

Men lie, women lie, numbers don't

So I moved outta my condo and into the bank vault

Record sales... Bank Teller say hahah...

Shout out to every DJ, bootleggers, I made histor-y anyway

In the way, they said I couldn't

Shout out to Young Money cuz without them I couldn't

Shout out to Cash Money cuz without them I couldn't

Shout out to Universal cuz without them I couldn't

Shout out to my friends cuz without them I couldn't

Shout out to my daughter cuz without her I wouldn't

Mad rappers look on the bright side

I sold 1.5 Hip Hop is alive

Hahahh thank you everybody

YOUNG MULLAH BABY!
