Hey hey hey

Because the cops is watchin', the streets is talkin'
Ya hoes is unfaithful, ya family ungreatfull
Ya niggaz ain't loyal, you niggaz ain't lawyers
And everybody saw you and ain't that a bi--h

And this here is the Carter, oh yo, and this here is the
Carter, yo oh
This one here is just to clarify the fact that I'm a
muthafuckin' mack
This one here is just to verify the fact that I got straps
on my back
This one here is just to clarify the fact that the boy is
back, oh

Slick as I wanna be born to be hustla
Gonna be rich till I'm gone
Gonna keep spittin' this shit for the hustlaz
Gonna keep livin' this shit I'm gutless

Bet I'm gonna reap this when I'm gone defeat this while
I'm here
Gonna keep beatin' this street shit in ya ear
Gonna speak in every single street this year
My shit beat in every jeep on every street this year

Wizzle F Baby, ya'll niggaz can have the Weezy
I'm the Birdman Jr. Junior
I'm a man to another man to a bitch, I'm a pimp in the
whip
I'm a hundred grand

And in the streets I'm a money man
And I'm a hunt it with the streets, I get money in the
streets
Like a hundred men, a hundred proof in my other hand
If ever fall spring back like a rubber band, know what
I'm sayin'

Because the cops is watchin', the streets is talkin'
Ya hoes is unfaithful, ya family ungratefull

Ya niggaz ain't loyal, you niggaz ain't lawyers
And everybody saw you and ain't that a bi--h

The cops is watchin', streets are talkin'
Hoes is unfaithful, ya family ungratefull
Ya niggaz ain't loyal, you niggaz ain't lawyers
And everybody saw ya and ain't that a bi--h

Now all the bitches got me strollin' wit' my dick in my
hand
And these niggaz got me rollin' with my clip on my hip
But this is my land so prick don't trip
'Cause K's don't jam and a nigga don't miss

They tellin' me I'm the shit like a nigga don't piss
But nigga don't slip 'cause I'll kill a punk bitch, word up
And I don't affiliate with niggaz
I don't love neither bitches just money and drugs nigga

Leave ya bitches ya money and drugs, nigga
Three to ya wisdom five more to ya mug, nigga
How many more do ya love nigga
'Cause I got plenty more to give out I ain't never been a
mouthpiece

Ask ya reverend 'bout me, I'm the young God
Aim the shotgun at ya frame and bust boy
Brain and guts leak in the drain and such pour
Plain yuk at a fuck boy, fuck boy

Because the cops is watchin', the streets is talkin'
Ya hoes is unfaithful, ya family ungratefull
Ya niggaz ain't loyal, you niggaz ain't lawyers
And everybody saw you and ain't that a bi--h

The cops is watchin', streets are talkin'
Hoes is unfaithful, ya family ungratefull
Ya niggaz ain't loyal, you niggaz ain't lawyers
And everybody saw ya and ain't that a bi--h

I'm a muthafuckin' man, so respect me as one
Or the tech meet ya ass son
The tech heat ya ass son put ya fuckin' chest beneath
ya ass son
Blooka blook blap bleep ya ass son

Nigga tryin' to see his grandson and we
Got niggaz in the pen tryin' to see me wit' a Grammy
Wanna be me and don't even understand me
Couldn't see me even if you was standin' with me up

I'm that damn convincing not invisible that mans
invincible
And advance a little due to the pine
My niggaz call me little Russell Crowe
For my beautiful mind

And I let you do the time I do the crime
When the crowd call my name, I bring my crew to the
line
Nigga, that's S.Q. and we fine
Nigga, that's S.Q. and we firrin' Nigga

Because the cops is watchin', the streets is talkin'
Ya hoes is unfaithful, ya family ungratefull
Ya niggaz ain't loyal, you niggaz ain't lawyers
And everybody saw you and ain't that a bi--h

The cops is watchin', streets is talkin'
Hoes is unfaithful, ya family ungratefull
Ya niggaz ain't loyal, you niggaz ain't lawyers
And everybody saw ya and ain't that a bi--h

Because the cops is watchin', the streets is talkin'
Ya hoes is unfaithful, ya family ungratefull
Ya niggaz ain't loyal, you niggaz ain't lawyers
And everybody saw you and ain't that a bi--h

The cops is watchin', streets is talkin'
Hoes is unfaithful, ya family ungratefull
Ya niggaz ain't loyal, you niggaz ain't lawyers
And everybody saw ya and ain't that a bi--h
