I Wake Up In The Morning Take A Knee And Thank God,  
Then Go To The Mirror Look Myself In The Eyes  
Today I Didn't Wake Up With A Woman On My Side,  
Yesterday, I Didn't Wake Up With A Woman On My Side  
Neither The Days Before That Nor Before That  
I Just Remembered The Moments, Call Me Kodak  
In All That I Do Miss You But its your denial  
That I Must Hold Against You  
Since You Been Gone I Have Been All Alone  
But Alone Is Steriod 'cause It Makes Me Strong.  
Girl, Her Gone In The Wind,  
You Cheated On Godson Baby Girl That's A Sin  
But I Forgive You, But I Can't Give You  
Another Chance Ma, You Are In My Rearview  
And I Put That Ring On Your Finger, I Was All In  
But Now It's Just A Symbol Of What Could Have Been

Goddamn; I Know Am By Myself, But

Damn, She Left Me All By Myself, But

Yo!

I Love My Niggaz, No Homo

I Swear I Hope They All Get Cheese Like D'journo  
It's Something About The Hot Boyz That You Don't Know  
I Got A Lot Of Love For Them That I Don't Show  
And B.G. Been My N\*\*\*\* Since The Front Door  
I Hope Choppa City Records Blow.. Fa Sho  
And Me And Juve Never Really Got Along  
But You Still Would Let Your N\*\*\*\*A Come Get On Your  
Hottest Song

Damn I F\*\*k With You For That  
I F\*\*k With You Lil One  
And Me And Skip Go Back  
And When You See A Really Nigga  
You Got Tip Your Hat  
And Since Am A Real Nigga  
So I Do Just That

I Had My Own Lawyer Workin' On Turk's Case  
After I Heard Him Dissin Me On The Mixtape  
'cause He's Locked Up And I'm Free  
He Got A Lot More To Worry About Than Me  
I Aint Tripping
