Chorus:

Hey this drank got me feeling like im on another planet  
imma faint man it feels like im on another planet  
watcha think girl i want it i know u gon let me have it  
im on another planet  
im on another planet  
and i wont come down it feels so good  
i dont wanna come down it feels so good  
i walk around like im in space cause it feels so good  
im on another planet  
im on another planet

Verse 1:

im on another planet ask me how i got there  
im dressed as a captain cause my money so rare  
im drinking on this shit that likely cost some bucks  
most people dont drink it cause it cost too much  
and when im at the bar i be lookin like star  
i dont pull out cash i be swipe'n credit cards  
like visa or masta express or black ones  
they asume im famous like artist or actors  
moneys not a factor i blow it out my ass  
if money came from trees then id grow it on my plants  
grow it in my garden that remy martin  
have me feelin like im on saturn and even mars man

Chorus:

Verse 2:

Uh um good bye world  
this is weezy aka mista he took my girl  
im on 1 im on 2  
i got that bird flu fr-from that grey goose  
and i dont need no juice  
just a lil ice  
and we can run around saturn green slice  
i like my hawaiian white yeah patron strait  
ill take u to mars show u i got my own space  
der der dont shake the bed gon brake  
ill take u out this world he'll just take u out da states  
served by the crate

man im on a 8 it makes me move slow so imma be a lil  
late

Chorus:

Verse 3:

im next to the moon  
close to the sun  
so call me a star im as bright they come  
high in the sky connected to big dipper  
and when it come to liquor i am a big sipper  
tell me have u ever seen an astronaut stripper  
i dont do it on earth but here ill tip her  
take u to my ship then fuck to a sex tune  
right after i hit im dippin to neptune  
5 4 3 2 1 takeoff  
i can prove mercury aint far as they say dogg  
started with 1/5th now im on number four  
and off of those four ive been around the solar
