Check out da bwoy-a-story

[Chubb Rock]

Tell him! Excuse me, I beg your pardon
Inform him, that Chubb is playin in your secret garden
Cause he didn't cut - the lawn, correctly
I have a green thumb, you're not dumb, that's why you
sweat me
You wanna have your cake and eat it too, so do I
You're sneaking around, we're sneaking around, so
why
do you wanna continue, comin to every venue
You don't tell him, I'll offend you
This ain't right so put him down on the scoop
that you're a blow-up sex doll for every group
Where are the footsteps that you followed
Tippy-toed to my crib and did me a solid
You answered every question I ever had
on the female anatomy - after you sat on me
Cheating is more serious than the taking of pellum(?)
So tell him, before I tell him

If Mary had told her boyfriend
like she was supposed to, none of this would be
happening

[Chubb Rock]

Tell him! His feelings, you disregard
You took his credit card, went on the boulevard
You bought me shirt after shirt with his hard-earned
work
You treat him like dirt
My conscience said to me, "Yo Chubbs you better be
careful, she gave you the keys to his Cherokee
Jeep - but I don't wanna go six feet deep
in the dirt for some skirt"
I was gonna cut her off but the stuff was kinda dope
The dope even paid my car note, nope

I'm gonna let her go yet until I get
this girl can really get me out of financial debt, huh
So I chill, passion kills, tears spilled
on an innocent grill then overspilled
the guilt, stuck in my chest so I suggest
that you tell him, maybe you can start off fresh
Cheating is more serious than the taking of pellum(?)
So tell him, before I tell him

If Mary had told her boyfriend
like she was supposed to, none of this would be
happening

[Chubb Rock]
Here's one more bang for the road - uhh
Never again will you explode
like this you might miss the imprint of my fist
embedded in the bed by your head
"Don't leave me Chubb, don't leave me Chubb," she
screamed
"I got access to all of his green
I lust for your pelvic thrust so why don't you trust
Don't fuss, he'll never find out about us"
But baby, I can't see you no more and..
{*knocking*} .. let me see who's at the door

{*door creaks*}
Yo who are you?
Who me? You don't know man?
Why I'm gonna shoot ya
{*machine gun fire*}

If Chubbs had kept his prick in his pants
like he was supposed to, none of this would have
happened
